- ✓ Substance abuse and addiction

The collage features three main visual elements:

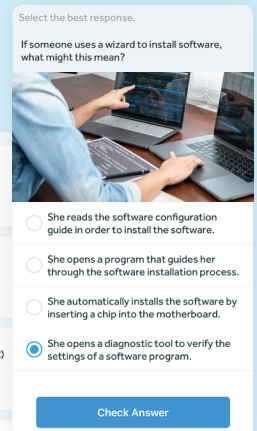

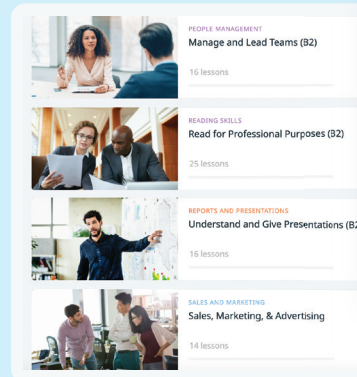

- Top Center:** A close-up of a male doctor in a white lab coat with a stethoscope, smiling and looking at a tablet.
- Bottom Left:** A doctor in a white lab coat consulting with a family (a woman and a young child) in a clinical setting.
- Bottom Right:** A smartphone screen displaying a language learning interface. The screen shows a lesson titled "gallbladder" with a definition: "gallbladder noun". It also includes a list of related terms: "breakup fat", "berry liver or", and "use it makes my". The interface includes a progress bar at the top showing "1/10 cards viewed" and a "Done" button.

Employees build the language skills they need for work

Rosetta Stone for Enterprise offers an adaptable curriculum with more than 1,200 lessons that hone in on job-specific skills. Some cover business communication, while others are tailored to specific industries and business areas. Empower employees through lessons that align with their workplace needs and interests.
